Growth Report

Run this report each time you re-test, and get a graphic representation of your entire class's reading progress, plus pre-test and post-test scores for each student.

Growth Summary

12 Pupils	Scaled Score	Est. Reading Age*	Est. NC Level English*
Pretest Mean	764		
Posttest Mean	833		

A positive change in the Scaled Score represents growth in the student's reading ability.

Historical data included.
^ NCL - National Curriculum Level
* Correlation study in progress.
