

Implementation Phase 1: Programme Launch

During the initial phase of implementation, you may wish to focus on the following target(s):

- Label your Accelerated Reader books
- Star test your students
- Achieve 100% participation in Accelerated Reader
- Competition idea: The 100% Club – each time a student achieves 100% on a quiz, enter their name into a lucky dip or pin their name onto a thematic display board.

Ensure that your Accelerated Reader Project Team attends all training listed in bold. To support the sustainability of the programme, we recommend including the following key roles:
