

## Accessing myON via Wonde

Find books you'll love to read – anytime, anywhere!

### Here's how to get started!

1. Go to your Wonde Dashboard and log in [edu.wonde.com/login](https://edu.wonde.com/login)
2. Click 'Discover' at the top and search for 'myON'
3. Add 'Application' and add your School Name into the application settings
4. From your dashboard, click 'myON' > 'Student Credentials' > 'Select Registration Group' > 'Input Credentials'
5. If for any reason you do not have access to your student's credentials, then we will ask the students to pop them in for a one time only request
6. Your students are now all set!

**Tip:** You can upload your whole schools / all registration groups credentials in bulk via the CSV upload

### Share your reading experience with us!

Tweet us your most loved books and achievements
