Renaissance Import Guide

New Features:

- Schools based in Scotland, Northern Ireland and Republic of Ireland will no longer need to use English Equivalent year groups. (See page 2 for details)
- TEMAIL (Teacher Email) is now a required field. This is for password recovery.
- Passwords are case sensitive.
- Increased security for staff passwords a minimum of 14 characters are required, including at least one upper case, one lower case, one number and one special character.
- Import files must be formatted as CSV Comma Delimited

IMPORTANT – Completed imports cannot be removed. Please ensure you have reviewed your data thoroughly before importing. If you require assistance please contact the Customer Support Team.

Importing Students

To import a list of students successfully you will need to have the recommended columns (headers) in your file:

Header	Description	Format	Required			
SID	Student ID number	tudent ID number Character or numeric No (Recomme				
SFIRST	Student First name	Character	Yes			
SMIDDLE	Student Middle Name	Character	No			
SLAST	Student Last Name	Character	Yes			
*SYEAR	School Year	See table below	Yes			
SGENDER	Student Gender	M or F	No

Students Date of Birth

To avoid discrepancies and ensure student's date of birth is imported correctly, ensure the SBIRTHDAY column has been formatted in the UK format (dd/mm/yyyy). Right click the column > Select Format Cells > Click Date > Select the UK Format -

*	Sample date of birth			
	Sample date of birth Type: *14/03/2001 *14 March 2001 14/03/01 14/03/01 14/3/01 14/3/01 14/3.01 2001-03-14			

Importing Student Characteristics

Importing Characteristics is not compulsory but allows for additional reporting which may be useful when reporting back to senior leadership, school governors and Ofsted. It also allows for comparing groups of pupils. If you want to assign more than one characteristic, use – to separate the codes i.e PP-FM for Pupil Premium and Free School Meals.

Year 7 Catch-Up	Y7

Importing Personnel

Importing personnel (teachers/staff), courses and classes will automatically create a class, add students to the class that you specify, as well as assign the correct teacher to each class. You do not have to import both personnel and classes but doing so will save you time doing this process manually. To import personnel, you can enter the following information on the same spreadsheet <u>but in extra columns in line with the student information.</u>

Header	Description	Format	Required
COURSE	Course Name	Character and numeric	Yes
CLASS	Class Name	Character and numeric	Yes
TFIRST	Teacher First Name	Character	Yes
TMIDDLE	Teacher Middle Name	Character	No
TLAST	Teacher Last Name	Character	Yes
	Teacher Username –	Character	No
	will autogenerate if not entered.		
TUSERNAME	Not case sensitive		
	Teacher Password –		No
	will autogenerate if not entered.		
*TPASSWORD	Case sensitive	Character and numeric	
TEMAIL	Teacher Email Address	Character and numeric	Yes

***Password Requirement** – passwords for staff must be a minimum of 14 characters, the password must contain at least one upper case, one lower case, one number and one special character (spaces can be used and are considered a special character)

Example:

Columns A, C, F, H, I, J, N, P and Q are optional.
