Taking a STAR Maths test

- STAR Maths is an online test which helps your teacher track your progress
- There will be 24 questions
- The test should take 20-minutes

Taking a STAR Maths test

You can pick your answer by:

- Clicking the correct answer with your mouse
- Pressing the correct letter on your keyboard
- Tapping the correct answer on your iPad screen

... and then pressing “Next”

You will have to answer three practice questions before you begin the actual test.

Taking a STAR Maths test

- There is a 3-minute time limit to each question.
- No calculators are allowed, but make sure you have pen and paper to do your working out.
- A warning icon will appear if you are approaching the time limit.
- If you cannot answer a question, do not guess. Let the time run out and wait for the next question to load.

During the test

- Do not talk to anyone
- Do not distract anyone
- Do not try to help anyone
- Try your best to pick the correct answer, but do not guess

The logo features a white, curved, brushstroke-like line that starts under the 'A' in 'RENAISSANCE' and sweeps upwards and to the right, ending under the 'N' in 'LEARNING'.
