Back to School with Freckle

Top Back to School tasks for Freckle Administrators:

1. Ensure you can access your Freckle administrator account via school.freckle.com
2. If you encounter any login issues please click [here](#) to reset your password.
3. Update your 2023-2024 roster data.

Top Back to School tasks for Freckle teaching staff:

1. Contact your administrator to see how you're rostering students
2. Ensure you can log into your teacher account at classroom.freckle.com
3. Click [here](#) for a guide on how to get started
4. Communicate to students how they should log into Freckle and where to start.

Administrators: How to update your 2023-2024 Freckle data

For a guide on how to bulk update your data from your School Administrator Dashboard click [here](#). To download the CSV templates that must be used click [here](#).

Please note: Any pupil data not included on the import files will deactivate any existing pupil accounts on your Freckle platform. We recommend that you have a master file containing data for all users who require access.

If you have questions or need assistance, please contact Customer Support on 020 7184 4000 or by email at support@renlearn.co.uk

Teacher Self-Rostering - How to update your 2023-2024 Freckle data

Teachers can add students to their classes manually, click [here](#) for a guide.

Teachers can also remove any students that have left the school, click [here](#) for a guide.

Implementation
